

## ***Consortium Ethics Program Seminar Series***

# **Empathy, Ethics, and the Challenges of Difference**

## **Session 6: Negotiating Cognitive Difference and Intellectual Disability—Medical Humanities Contributions to Ethical Healthcare**

**Tuesday, December 8, 2020 | 11:00 am – 12:00 noon**

**Marina Clementi**  
MFA candidate

**Boen Want**  
FMA candidate

**Valarie Satkoske, PhD**  
Vice President for Ethics UPMC Mercy  
and UPMC PUH/SHY  
Vice President for Mission Effectiveness,  
Volunteer Services and Ethics  
UPMC Mercy

### **Objectives:**

- explain the roles of medical humanities approaches, particularly narratives, in clinical ethics
- appreciate familial, social, and interpersonal challenges in healthcare contexts involving people with intellectual disability
- discern differences between bias regarding intellectual disability and understanding of people with intellectual disability or cognitive difference

On-line via Zoom—Registration Required
